Barry Seedman, Ph.D. is an internationally -renowned hypnotherapist and hypnotherapy instructor. An author and a speaker, Dr. Seedman has won many awards in his field, including INFaiths' 1997 Educator of the Year, and the National Guild of Hypnotists' 1993 Instructor of the Year. He is a board certified Medical Hypnotherapist and he is featured in Gary Null's *Encyclopedia of Natural Healing*. In addition, Dr. Seedman is an accredited lecturer of the University of Nevada School of Medicine's Department of Continuing Education.

*"These are four intensive days that will change your life and the work you do! I've seen and worked with most types of therapists and none of them comes close to doing the work done and taught in this workshop. If it is your desire to help others heal or make life changes this workshop is a MUST!"*  
 Dan Stein, MD., Tarapa, FL

**12/3-12/4 12-7:00pm: Crystal Gypsy Designs Trunk Show:**  
 Tania Smith, jewelry designer-extraordinaire, will present a trunk show of her one-of-a-kind creations at the Andrea Smith Gallery in Tlaquepaque. She will be bringing with her the never before seen "Sacred Mountain Collection." It is said that the Himalayas of Tibet represent the masculine "sky" energy while the Andes of Peru represent the feminine "earth" energy, also referred to by the Incas as Pachamama. This collection marries the two energies featuring rare antique amulets from Tibet with personally hand-picked stones from a sacred journey to Peru, including Chrysocolla, Turquoise, the beautiful Andean Opal, and Peruvian Serpentine, also known as Machu Picchu Stone.

**12/6 7-9:00pm Sacred Medicine Wheel Teachings:** These ancient Shamanic teachings from the Deer Tribe Metis Medicine Society are coming to the Sedona area! This will be the first of monthly progressive meetings. Come check it out! \$10. Contact Layna: 928.649.9822

**12/11 & 1/8 1-2:00pm: Qigong for World Peace:** Qigong, a Chinese health exercise, is said to induce peacefulness within, reflecting outwardly to the world. This is a joint event organized by Devotion and Qigong Sedona. Paulette Silber, a certified Qigong instructor will demonstrate the movements. The style of Qigong is named Pan Gu Shengong, the Heaven, Sun and Moon Qigong. The Qigong-style was created for the benefit of humanity by Chinese Grandmaster Wen Wei Wu with whom Paulette Silber has trained. The public will be invited to participate in the Qigong movements, creating group energy for World Peace. White ribbons of peace will be handed out upon arrival. Please meet at 1:00pm in the KPC parking lot, 3270 White Bear Road, next to the Sedona Public Library. For information: contact 928.301.1103

**12/4 2-5:30pm: Co-Creating Peace- An afternoon Peaceshop with Marie Pascal Capstick:** As the Christmas season is here, this afternoon Peaceshop aims to co-create the energy of Peace, to explore ways in which we can Be Peace, and most effectively co-create World Peace. May Peace Dwell in You Always, and Prevail On Earth. This afternoon workshop will conclude with a Peace Meditation leading to joyful ways of sending Ribbons of Peace.

**12/29, 12/30 & 12/31: Living with Awareness Inner Technology for Creating a New Dream:** Ceremonies ~ Imagery ~ Art ~ Dance ~ Music & Play, including a New Year's Eve Multi-Media Event and Celebration-Sedona, Arizona. Access deep states of healing and transformation. Discover your full range of human potential. Reawaken your meditation practice. Enhance your life.

## Four Corners/BBLC Partnership Announced

*We are happy to announce that we are forming a online partnership with highly respected Broadband Learning Channel, one of the most sophisticated spiritually-minded online networks in the world.*

"We look forward to creating a totally original multi-media magazine that's going to rock the progressive, free-thinking world and we feel Broadband Learning Channel is the right partner for our multi-media debut", says Lane Badger, publisher of Four Corners. "We are also clear that, as paper becomes an ever more precious commodity, we'll need to have made the transition to the most eco-friendly option, which is electronic publishing."

Here at Four Corners, we're excited to team up with BBLC, as new doors will open within the media realm, to form a larger spiritual community that reaches into international networks.

Visit the Broadband Learning Channel online at [www.bblc.tv](http://www.bblc.tv) to view interviews from speakers such as Dr. Eric Pearl, Dr. Hank Wesselman & Dr. Vernon Woolf.

**Contact: Four Corners Magazine  
928-282-7233 or [badger@sedona.net](mailto:badger@sedona.net)  
to be included in their premier online issue available  
in early December.**
